Korean Student Relates Experiences at Services

The First Baptist Church of Lomita had as their guest speaker last Sunday evening Mr. Kim Tae Rim, of Korea, who escaped death by a narrow margin when he and his family were held prisoners by the Communists in North Korea.

He related his life story entitled "Crossing the Death Line," at the evening worship hour. Kim is a student at Wayland Baptist University in Plainview, Tex. Upon graduation he plans to return and join his father who is also a minister and will be teaching in the Baptist Seminary in

Korea.

RAPID PROGRESS is being made on the construction of their new two-story Educational building located at Hillcrest at Western Ave. The ladies of the church served a family-style meal to 24 men who volunteered their labor Saturday. Lesson-Sermon, Communion Set For Scientists

The January Communion Service of the Christian Scientists will be celebrated at all church services of the denomination Sunday, at which time the Lesson-Sermon on "Sacrament" will be read, The Golden Text keys the sermon in Jesus' words recorded by John, "The bread of God is he which cometh down from heaven, and giveth life unto the world" (6:33).

Jesus' touching appeal to his followers, as given by Luke, is emphasized, "The harvest truly is great, but the labourers are few: pray ye therefore the Lord of the harvest, that he would send forth labourers

into his harvest" (10:2).

"Jesus established in the Christian era the precedent for all Christianity, theology, and healing," heads a correlative selection by Mary Baker Eddy from "Science and Health with Key to the Scriptures." The passage continues, "Christians are under as direct orders now, as they were then, to be Christ-like, to possess the Christ-spirit, to follow the Christ-example, and to heal the sick as well as the sinning" (p. 138).

The Communion will be celebrated immediately following the Lesson-Sermon.
